• **FAITH IN THE FUTURE WEBINAR—FRI JUNE 19, 12-1PM.** Brought to you by the TryTank Experiential Lab and the department of Lifelong Learning at Virginia Theological Seminary. What is the church of the future? Will church, as we know it, even exist? Author and noted futurist Bob Johansen, a distinguished fellow with the Institute for the Future, will join Dr. Lisa Kimball, the Associate Dean of Lifelong Learning at Virginia Theological Seminary to look at current trends, beyond those trends, possible disruptions, and why a new way of thinking is required for leaders of the church. Rather than a fearful future, we should embrace it as an opportunity for new spectrums of meaning making. It will be a fascinating, yet practical, conversation where your questions will also be considered. Register on [EventBrite](#). For more information, email LifelongLearning@vts.edu.
