<p>WHERE DO WE WANT TO GO?</p> <ol style="list-style-type: none"> 1. The Parish wants to become ever more inclusive. We want to become more visible in the community by telling our story more effectively through action as much as through words. 2. We want to exhaust every possibility for the expansion of our demographic range. We want to be much more than old white-haired people. 3. We want to make a difference in the key needs of the island through partnering with others who are attempting to address the issues. Meeting those needs is a step towards greater social justice. 4. We want to reflect our community and be an agent for strengthening it. 5. We want to be more organized to provide effective pastoral care. 6. We want to continue to explore new liturgies and modes of worship. 7. We want to be a place of reconciliation for those who have been hurt by the church. 8. We want to be more skilled at stewardship particularly with reference to money and talent. 	<p>Faith in Action:</p> <ol style="list-style-type: none"> 1.
